BOOK AN EVENING WITH THE GAP

SAN BRUNO LIBRARY FOUNDATION

Thank you for joining us tonight at the Foundation's inaugural event.

The Foundation was established in 1997 by Councilmember Irene O'Connell. The purpose of the Foundation is to raise community awareness about the need for a new Library facility.

The Foundation is honored that Gap Inc. is hosting us here tonight and we thank them for their gracious hospitality and tours of their impressive new building. The money that is raised here will be the start of our Foundation funds for a new Library in San Bruno. We thank you for your support in being here this evening and welcome your future involvement in the Foundation and its activities.
